

RCA Series

KOHLER
GENERATORS

The quietest, most powerful generator on the market offers reliable performance to power your home and daily life. Available in Kohler exclusive colors and Mossy Oak® designs.

- **Match Your Home** – Available in Kohler exclusive colors and Mossy Oak® designs.
- **Ultra Quiet** – The RCA exercises at the volume of a conversation (56 dBA)—perfect for areas with stringent sound requirements.
- **Most Powerful** – In addition to featuring PowerBoost technology, it is rated at 109 Amps (LP) to power more in your home.
- **Exceptionally Durable** – The RCA includes oil-level and oil-pressure sensors to protect your engine if your generator needs to be left unattended during extended power outages.
